SIR,

Cash grant for the maintenance of Sri Ganapati Temple in Chikmagalur Town.

Referring to correspondence ending with your letter No.1211/Muz. 4-32 dated 8/9th March 1934 in the matter of the construction of Sri Ganapati Temple in Chikmagalur Town, I have the honor to state that the front portion of the building which is entirely financed by Dharmapravarta Mr. M. L. Nagappa Setty is said to be nearing completion and that the daily worship etc., will be revived after installation of a new idol and samprokshane etc. For the support of the temple and the conduct of services therein, Mr. Nagappa Setty has offered lands measuring 17 acres and assessed at Rs 104, and the Deputy Commissioner has written to say that enquiries are being made as regards the present value, encumbrances etc., and that a report will be submitted shortly. On receipt of complete information the matter will be further dealt with by me.

2. Mr. M. L. Nagappa Setty who has already deposited a sum of Rs.250 towards the cost of worship for one year has been repeatedly praying for the grant of a permanent cash inam for the support of the temple which owes its existence to his benefaction. The Deputy Commissioner also recommends that necessary further action may be taken very early to obtain sanction of Government for the cash grant of Rs.300 per year to this institution as it will help him in inducing Mr. Nagappa Setty to get the rear portion of the temple constructed at a cost of Rs.5,000

3. The Deputy Commissioner of the Kadur District has reported that there are no defunct Hindu institutions in the district, the cash grants of which may be transferred to this temple. In other districts also there are not many defunct institutions with any appreciable cash grants which may be assigned in favour of this temple which deserves encouragement. The savings resulting from the discontinuance of the payment of certain Sehibi allowances, viz., ₹ 2,555-12-0 has been added on to the Dhattrai Savings Fund for being utilised as necessity arises. I am of opinion that this is a deserving case and that help to it may be extended from the savings referred to above. I, therefore, recommend that a grant of ₹ 10 per month may be kindly sanctioned with effect from the date on which the service in the temple is revived.

I have the honor to be,

Sir,

Your most obedient servant,

Huzrai Commissioner.
